Houseleauge Report

The midget team is not happy only playing the ladies. Clarington is interested in playing us, Dean is looking into this.

We need a few lt. blue jerseys back from ladies who aren't playing this year to give to new players.

All goalies except Midget have equipment Patricia Ingram uses her own.

Dean asked how to correctly host a skating party. As long as there are no sticks, helmets & gloves should be adequate.

Dean moved to accept the report – Lynda seconded – All in favour – passed.

Lower Lakes Report

Curfews – all all games will have a curfew. Play-offs- all teams will make them unless there are 8 or more teams in the loop, then there will be a playdown. The league is looking to standardize all Midget games to 1.5 hours.

Lynda moved to accept report – Dave P. seconded – All in favour – passed.

Tournament Report

Attached sheet, lots of sponsorship to date, lanyards ordered, YMCA donating facilities over the weekend, extra ice team is needed, Dean still looking into it.

The Canadian Women's Hockey League game between Mississauga & Montreal will cost us \$2000.00. An entry cost to the game will support it.

The Atom/Novice H.L. girls will hand out all medals.

Chris H. moved to accept report – Trish seconded – All in favour – passed.

Equipment Report

Trish will look into supplying 1st aid kits for all H.L.teams.

Chris has purchased the last of the equipment needed.

Lynda moved to accept report – Dean seconded – All in favour – passed.

Fundraising

Novice C & Midget A are doing a bottle drive Jan. 6th, they will split the town. Atom C are selling chocolates. The Midget B want to sell gingerbread houses.

It was suggested they sell them during the Atom/Novice H.L.games on Sundays between 3:30 -5:30 p.m.

OWHA Report

Peewee C team has too much personal info on website, Trish will send email to remove some info. The Midget H.L. team has been categorized as a Senior Ladies Rec. team.
