TOURNAMENT REPORT

Tournament of Hope was a huge success. Thirty one teams, lots of coverage
The CWHL will not be at the winter tournament as too many players are at the Olympics. Suggestion: To have all 8 Ladies teams at the opening of the new arena. To have WNGHA host their opening weekend (CWHL teams) Suggestion: At our Winter Tournament have the Opening Ceremonies include thanking the sponsors & handing out plaques. Also, after singing Oh Canada, showcase the Midget AA team.

HOUSE LEAGUE REPORT

There are 6 teams; Clarington & Belleville are on board. A request to have an Atom player move up as a Pee wee goalie was discussed. Dave asked if the request to play alongside a specific player was requested on the registration form. The answer being no, the request was thrown out.

All teams have shared practice ice.

Police checks, Christina will send out an email to all managers asking to bring ID to the rink beginning this weekend. Hope to have them all done by Nov. 1, then will begin H.L.
